INTRODUCTION

Dear ronik gorasiya,

Welcome to your personalized Birth Chart Report! We are excited to guide you through the stars. This report is based on the Western Tropical Zodiac and Placidus House System, offering deep insights into your personality, potential, and life path.

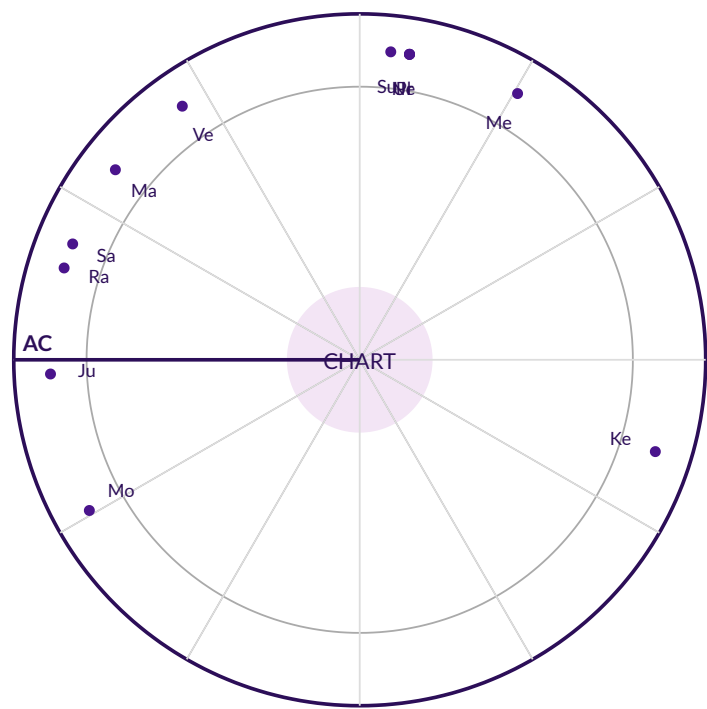

What is Astrology?

Astrology is an ancient practice that correlates the positions of celestial bodies with events on Earth. Your birth chart is a snapshot of the sky at the exact moment you took your first breath.

How This Report is Prepared

Our engine calculates the precise position of the Sun, Moon, and Planets using high-precision ephemeris data. We analyze the geometric angles (aspects) between them to interpret the energies at play in your life.
